## MAKING PLANS FOR BIG GATHERING

emobilization Conference On April 8th and 9th Will Be Addressed By Prominent Speakers

The Madison county conference to consider war problems will be held on April 8th and 9th, under the auspices of the Church Community Welfare League, which was recently organized in Richmond. Prominent speakers will be heard and important measures discussed in this conference.

It is expected that each community throughout Madison county will be represented in this conference so that the plans and suggestions of the conference may be carried out in each community. Every church, Sunday School, high school and graded school, the Normal School and Berea College will be expected to send representatives.

Also all other organizations, as fraternal orders, the Red Cross, the Madison County Medical and county and city officials, local organizations, the newspapers till in county and in fact, all organizations and institutions which are the nefit of the public good will be invited in this conference.

Matter should be taken up by officials in each organization at that every organization may be presented. The conference on April 8th and 9th will probably be the greatest get-together meeting ever held in Madison county. The whole idea of the conference is the reconstruction and the rebuilding of the community life around the returned soldier and sailor. The home-coming of our boys who have risked their all for love of home and country should be the signal for new departures along many lines—civic, industrial, economic, social, moral, and religious. Methods of improvement along these various lines will be discussed in the county conference April 8th and 9th.

The committee whose duty it is to arrange for the banquet, the returned soldiers and sailors must have their names as soon as possible so that due preparation may be made. Will not the friends and relatives of our returned soldiers and sailors give the name of such to Mrs. J. R. Bates, Richmond?

O. OLIN GREEN, Chairman of Com. on Arrangements.

## Each Nation Will

### Settle Labor Problems

(By Associated Press)

Paris, March 19.—Bulletin—The commission on international labor legislation held probably its last meeting today when it agreed on all points at issue. The American contention that each country should settle its international labor problems without invoking the League of Nations, prevailed.

### Col. Denhardt Lands

(By Associated Press)

New York, March 19.—Lieut. Col. Henry A. Denhardt, of Bowling Green Ky., was the ranking officer on the cruiser Charleston, which arrived here today with 1,200 troops. He went to France as a casual last June.

### Criticize America

(By Associated Press)

Vladivostok, Monday, March 17—Never since the landing of troops here last August, has there been such a widespread criticism of the United States. Newspapers are full of tirades and ingenious distortions of facts calculated to sow discord among Americans, Russian and American allies.

Beginning with disappointment over the passiveness of America's intervention, outspoken hostility has developed over a proposal to meet all Russian factions at the Princess Island conference. The Americans were instantly dubbed friends of the Bolsheviks. Sullenness and unfriendliness, which did not exist a month ago, has now spread to troops and villagers along the railways in Siberia.

### Woman Killed By Explosion

Oakland, Cal., March 19—The killing of Mrs. George Greenwood, wife of a banker here, by an explosion at the Greenwood home last night, remained as much of a mystery today as Greenwood, aroused by the explosion, looked from an upstairs window and saw his wife's body in the garden below. Two slender clues consist of pieces of wire removed from her body and the fact that threatening letters sent to the Greenwoods last January demanding \$5,000. Nothing has developed to show whether the explosive was hurled at Mrs. Greenwood or whether she picked it up and it exploded in her hand.

## Allies Won't Control

### Germany's Armament

(By Associated Press)

Paris, Tuesday, March 18.—At the insistence of the American delegates, the military terms of the peace treaty with Germany were amended by eliminating the clause providing for control of Germany's armament for an indefinite period, thus virtually committing the United States to indefinite occupation of Germany and delaying the return home of soldiers. As amended, the terms provide for control through a time fixed for the delivery of war material, but not during a period during which the war damages must be paid by Germany.

### Today's Live Stock Markets

Louisville, March 19—Cattle 150; steady and unchanged; hogs 1,600; active; 50 higher; \$8 to \$19.25; sheep 50; steady and unchanged.

Cincinnati—Packers a quarter higher; others steady; steers slow; heifers and cows strong.

### \$50,000,000 For Railroads

(By Associated Press)

Washington, March 19—Director General Hines today announced a fifty million dollar advance by the War Finance Corporation to the railroad administration to be used to pay current bills and not to meet obligations already incurred by railroad companies. Hines explained the loan does not eliminate the necessity for future appropriations nor modify the proposed plan of giving government certificates of indebtedness to railroad corporations for past debts.

### WIRELESS TELEPHONY

London, March 19—Bulletin—The Marconi Company today announced the establishment of wireless telephony between Ireland and Canada.

### INDIAN MEDICINE MEN

In the Indian Tribe one finds the "Medicine Man"—one versed in the healing art of roots, herbs, leaves and barks. In these he discovers emollients, astringents, laxatives and tonics, all of which are prepared and offered to sufferers among the tribe. To such good, old fashioned roots and herbs Lydia E. Pinkham's Vegetable Compound, the most efficient remedy in the world for female ills, owes its success. For forty-five years it has been restoring women of America to health, until it is now recognized as the standard remedy. 1t

### Applies For Injunction

(By Associated Press)

New York, March 19.—The Jacob Hoffman Brewing Company, bringing a suit in the interest of the United States Brewing Association, today applied to the Federal District Court for an injunction to restrain the collector of internal revenue from beginning any proceedings to interfere with its contemplated production of beer of two and three-fourths per cent alcohol content.

### Neale Farm Not Sold

The handsome suburban farm of Mr. J. J. Neale, on the Lexington pike was put up at auction this morning by Real Estate Agent L. P. Evans and taken down as only \$300 an acre was bid on the place. Bolivar Bond, the auctioneer of Versailles, cried the sale.

### Oaklandside

Mr. and Mrs. R. E. Baker entertained with a most excellent dinner Thursday. It was Mr. Baker's 44th birthday. This event is looked forward to from year to year by Mr. Bakewell's many friends as those who are fortunate enough to be included in the invitation know what good things are in store for them. On this occasion they seemed, if possible, to out do all former efforts. A bountiful dinner was served consisting of all the good things of the season and every one did full justice to the good things set before them, and all wished for Mr. Baker many happy returns of the day. Those present were Mr. and Mrs. Shirley Cotton, Mr. and Mrs. D. H. Starns and son, Mr. and Mrs. Charlie Cotton, and daughter, Mr. and Mrs. John Gibson, Mr. B. J. Cotton, Mrs. J. A. Cotton, Misses Zena Lee Dozier, Inez Moberly, and Mrs. Muggy Mobley, Messrs. Deck, J. C. and Lafayette Cotton. The out of town guests were Mr. and Mrs. Tom Jones and Mrs. Green Stocker.

Mrs. R. E. Baker, Mrs. J. A. Cotton and Mrs. John Gibson are visiting Mr. and Mrs. Jack Hendren in Danville. Misses Irene Baker and Estelle Prewitt, were guests of Misses Bonn Mae and Ray Stocker Saturday night and Sunday.

Dr. Telford announces that he will hold prayer meeting this evening at the usual hour.

S. M. Sanfley, Editor & Proprietor

Entered at the postoffice at Richmond Ky., as second class mail matter under Act of Congress of 1875.

A rather healthy looking boomer for "Dick" Williams, of Covington, but formerly of our neighbor Rockcastle county, for the democratic nomination for governor has been started by some very influential democrats. There isn't a finer fellow in the world, nor

one better qualified to make the kind of governor that Kentucky would be proud of than Judge Williams. Incidentally we notice that Lieut. Col. Denhard, of Bowling Green, who has been decorated three times for bravery in France, was expected to land in the good old U. S. A. today. In a letter to a friend, discussing the boom that has been launched for him for governor, he said a few things that stamp him as the sort of man who's going to be needed most in Kentucky when the party looks around for its gubernatorial candidate. He said:

## Your Catarrh May Lead To Consumption

### Dangerous to Experiment With Treatment That Gives Only Temporary Relief.

You see everywhere people with stopped-up passages for a while, they soon become clogged again, and there is no progress made toward a cure of the disease.

In addition to the suffering and inconvenience caused by Catarrh, there is always danger that the disease will gradually go lower into the throat and attack the bronchial passages, and eventually involve the lungs. Many a case of consumption has developed from a severe attack of Catarrh.

"At this range I am somewhat in the dark and hardly know why or how I happened to be mentioned as a 'as they once did.' \* \* \* If I cannot do fame don't control me or influence me as they once did. \* \* \* If a cannot do some good by making the fight for governor, I would rather go to my home and live quietly the rest of my days. \* \* \* The question of winning or losing doesn't matter; if the best people there think I can help in making a fight against certain conditions that exist in Kentucky, I will become a candidate."

Stanford, March 19.

The sale of Jersey sows held Saturday afternoon by J. B. Camenisch, former dairyman, was largely attended. There were 13 head sold at an average of \$121. Following are some of the sales: Four to J. L. Beasley for \$575; one to John Camenisch for \$93; one to Mr. Ledford, at \$91; one to Peyton Gogeb, at \$165; Fred V. Grunigen one for \$100; J. F. Phillips one at \$145; and one to Mrs. H. D. Phillips at \$140.

School opened here again, Monday morning after being closed for several weeks on account of influenza. All teachers were at their posts. School will probably not be closed until the first of July, so the time missed will be made up.

Mr. and Mrs. Ben E. Williams, of Nicholasville, were here yesterday with Mrs. Susan B. Yeager.

Lee Rupley has been in bed several days.

Miss Maude Carter, who has been teaching at Cave City, Ga., and came home to attend the burial of her father, P. W. Carter, will remain at home with her mother.

Sam J. Hill, who has been at Quantico, Va., in U. S. training, returned Saturday having been recently discharged.

Ewart Givens, who is at Camp Taylor, is here with his father for a few days. He returned from "across" some weeks ago, but has been in the hospital suffering from a broken ankle.

#### Impressed By Nash Plant

Captain Peter Noren, editor of Motor, Stockholm, Sweden, and formerly of the Swedish merchant marine service, was a visitor last week at the Nash Motors Company, in Kenosha, Wisconsin. Captain Noren, who is in the United States for the purpose of making a first hand study of American methods of manufacture as applied to automobiles and trucks was frankly amazed at the high degree of efficiency that has been developed in the factory of Mr. Nash and his associates.

"Long before visiting America," said Captain Noren, "I had heard much about the Nash organization. I also had heard much in Europe and particularly in Sweden about the famous Nash Quad and therefore coming to Kenosha I had expected great deal in the way of perfected manufacturing methods. What I have seen in this great plant, however, far exceeded my expectations."

## Is Your Blood Poor? If it is, You Need Vinol

Anæmic, run-down, nervous, devitalized conditions result from poor or thin blood. A glance at the formula of Vinol, printed on the label, will show that it contains the very ingredients necessary to make good blood. It soon creates a healthy appetite, improves digestion, and helps you to get full benefit from your daily food, and builds you up.

Drewsville, N.H.

"My daughter was anæmic, had poor blood and suffered from indigestion and bilious attacks. As Vinol helped my son, I gave it to my daughter—the soon improved in health, and it has built her up and restored her health."—Mrs. N. Burnell.

For all run-down, nervous, anæmic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol."

Bradford, Pa.

"I have used Vinol for impoverished blood. I was broken out with a rash and run down so it was hard for me to keep about my work. Other medicines did not good, but Vinol enriched my blood and improved my condition very rapidly."—Rose Lasky.
